OPW Launches New Multi-Tier Hanging Hardware Product Portfolio – Richards Brand Products Are Being Discontinued

Beginning November 8, 2010 OPW will offer a new product portfolio of hanging hardware that includes a line-up of value to premium-grade nozzles, breakaways and swivels. This new product portfolio is designed to provide customers, large and small, the convenience of choice in meeting their diverse array of budget, compliance and fueling application requirements.

Following is a list of the Richards' branded items and what the appropriate part number for the OPW branded product will be moving forward. For more information on OPW Fueling Components please contact your OPW District Sales Manager or OPW Customer Service at 800-422-2525. Visit us on the web at www.opwglobal.com.

Richards Part #	DESCRIPTION	Richards Image	Replaced by OPW#	DESCRIPTION	OPW Image
4920	3/4" Single-use Breakaway		66V-0300	3/4" Single-use Breakaway	
4930	3/4" Reconnectable Breakaway		66REC-1000	3/4" Reconnectable Breakaway	
4960	3/4" Multi-Shear Breakaway		66REC-1000	3/4" Reconnectable Breakaway	
T1002	1" Single-use Breakaway		66V-1300	1" Single-use Breakaway
