FLOW METERS - FMOG FUELS & LUBES

Oval gear | Heavy duty housing | Pulse output | Quality built | Heavy lubes

TECALEMIT's FMOG line of flow meters boast quality and accuracy. Numerous configurations and applications are available to you.

Description: US027177603 FMOG 150 Aluminum Pulser

Used for hi-flow and heavy duty applications

Flow	40	gpm
Accuracy	0.5	%
Inlet/outlet NPT	1.25	in.
Pulse ratio	50:1	single channel

Power 5V DC-24V DC
Signal output A (50:1)
Earth

Description: US027176603 FMOG 100 Aluminum Pulser

Used for diesel fuel and lubes

Flow	26	gpm
Accuracy	0.5	%
Inlet/outlet NPT	1.0	in.
Pulse ratio	50:1	single channel

Power 5V DC-24V DC
Signal output A (50:1)
Earth

Description: US027176600 FMOG 100 Aluminum Pulser, No Display

Used for diesel fuel and lubes

Flow	26	gpm
Accuracy	0.5	%
Inlet/outlet NPT	1.0	in.
Pulse ratio	204.35	/gal

Earth
Signal (204.35:1)
