

EX SERIES

HEAVY DUTY AC PUMPS

PIUSI's new line of **UL/CSA-Listed, heavy duty, AC-powered** pumps are here!
Suitable for **Gasoline or Diesel**, they are capable of a constant flow rate throughout **continuous use**.

PIUSI's quality-engineered design guarantees a true flow rate **at the nozzle**; an evenly-balanced pump kit incorporating an **aluminum motor and easy-access filter strainer**.

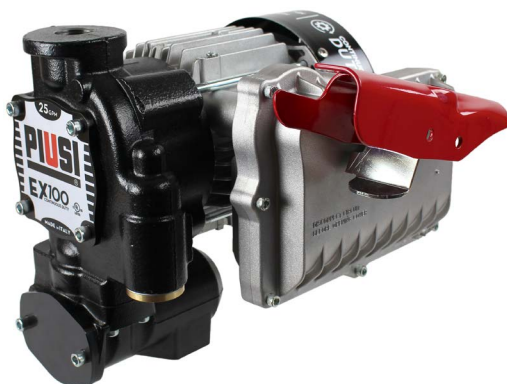

The **EX100** and **EX140** models revolutionize the stationary pump concept, offering a remote-mountable nozzle holder + switch for an easy access solution!

EX80

- **flow rate:** 20 GPM
- **Duty Cycle:** 30 on/30 off
- **ATEX/IECEX** Certified
- **1" NPT** threaded outlet
- Flanged bung adaptor
2" NPT
- Gasoline/Diesel
- Heavy Duty
- On-Board Switch

EX100

- **flow rate:** 25 GPM
- **Continuous Duty**
- **ATEX/IECEX** Certified
- **1" NPT** threaded outlet
- Flanged bung adaptor
2" NPT
- Gasoline/Diesel
- Heavy Duty
- On-Board Switch
- **Detachable** Nozzle holder
+Switch kit available

EX140

- **flow rate:** 37 GPM
- **Continuous Duty**
- **ATEX/IECEX** Certified
- **1" NPT** threaded outlet
- Flanged bung adaptor
2" NPT
- Gasoline/Diesel
- Heavy Duty
- On-Board Switch
- **Detachable** Nozzle holder
+Switch kit available
